REACH Compliance Statement

In December 2006, The European Union passed the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) regulation governing the production, use and importation of chemical substances.

None of the Interconnect products (Connectors, Adapters, accessories) that are manufactured by Southwest Microwave, Inc. Microwave Products Division contain any Substances of Very High Concern (SVHC) in a concentration above 0.1%.

Additionally, none of the packaging used to ship these connectors contains SVHC in a concentration above 0.1%

Southwest Microwave, Inc. Microwave Products Division is committed to meeting customer requirements and expectations, including compliance with all applicable environmental standards and directives. As the REACH regulations continue to evolve, Southwest Microwave Inc., Microwave products Division, will monitor any changes and take appropriate actions as required.

If you have questions regarding compliance with REACH, other Standards or our products generally, please contact us.
